Hi Kate,
this case didn't go today. We got bumped to Wednesday. Are you available on that date? If not, I'll try to move it.
Thanks,
Kate

Hi Kate,

This should be the absolute last time you are summonsed in on this case. I think it will actually go to trial on Monday. I hope you got the summons and we're all set. If so, would you like to be on call? What's the best number to use to reach you, if so?

Thanks,
Kate
